Professional Summary

I am a passionate Flutter developer with a Bachelor's degree in Computer Information Systems. My academic background, coupled with hands-on experience in mobile development, has equipped me with a strong foundation in app design and implementation. I am eager to apply my skills in Flutter to create innovative and user-friendly applications. I am committed to continuous learning and excited to contribute to dynamic development teams.

Skills

- Flutter
- Firebase
- REST APIs
- State Management
- Communication
- AI Literacy

Professional Experience

Dot Jordan | Amman, Jordan | **Flutter Developer Intern** | February 2026 – May 2026

- **Developed** an E-Commerce app using Firebase with full authentication system and products management.
- **Used** Postman to read and deal with APIs
- **Learned** how to use Flame engine to develop games using flutter with the help of AI.

Bank of Jordan | Amman, Jordan | **Flutter Developer Intern** | March 2024 – May 2024

- **Developed** a chat app using Firebase's real-time database.
- **Learned** about different roles in the development cycle like UI/UX and Quality Control and more.
- **Got used to** the work environment and pressure and the various challenges that may encounter me.

Projects

Omega Store (E-Commerce App)

- Developed a Flutter-based e-commerce application with Firebase integration.
- Implemented authentication, product management, and dynamic theming.
- Designed responsive UI for seamless shopping experience.
- Portfolio project page: [Omega Store](#)

Bookly App (E-Books Platform)

- Integrated REST APIs to fetch and display free e-books with search functionality.
- Designed a modern UI to showcase book covers, authors, and categories.
- Enabled in-browser viewing for selected books.
- Portfolio project page: [Bookly](#)

AI Classifier Module (Human vs Robot)

- Built an AI image classification module using Teachable Machine and TensorFlow Lite.
- Implemented preprocessing, inference, and confidence score visualization in Flutter.
- Designed UI with image picker, loading spinner, and results display.
- Portfolio project page: [AI Classifier Module](#)

Education

Bachelor in Computer Information Systems | Hashemite University, Zarqa, Jordan | 2024

- Honors/Awards: Dean's List (Three times), University's List (Once).

Certifications & Volunteer Work

- [Complete Flutter & Dart Development Course](#) – Udemy, 2024
- [Flutter Advanced Course Bloc and MVVM Pattern](#) – Udemy, 2025
- Volunteering : Academic Guide – IT Zone Plus Team, 2021 - 2024
